BERRY ADAMS (2)

CHAPTER II

Berryman Adams (2), son of Elkahanna and Mary Adams, was born around 1794 in Virginia. He migrated to Clark County, Kentucky sometime in 1805 with his family. He married first Lucinda Fryer on 20 July 1813. They had two sons: David Adams (?) (3) and _____ (name unknown) Adams (3). No further information has been found on this line,

Berryman Adams (2), then married Nelly Allan on the 8 November 1825. I find no record of children born to Berryman and Nelly Adams. Nelly Allan Adams died before 1830.

Berryman Adams (2), then married Margaret Lowry around 1830-1831. Margaret Lowry was born 1800-1810. To them were born five children: Edith Adams (3), George Adams (3), Enoch Adams (3), Thomas Adams (3), and Elizabeth Catharine Adams (3). (Refer to individual chapter on each of these children and information available on their lines to present). Margaret Lowry Adams died 1840-1843.

Berryman Adams (2) was married for the fourth time to Cynthia Ann Maupin on 16 November 1843 in Estil County, Kentucky. Cynthia Ann M Maupin was born around 1824 in Kentucky and died after 1870 in Kentucky. Berryman and Cynthia Adams had five children: Mary A. Adams (3), Nancy M. Adams (3), Susan J. Adams (3), Susan Adams (3), Michael Adams (3), (also possibly a Jackson?)

Berryman Adams (2) died between 1860 and 1870 in Estil County Kentucky and was buried at Log Lick Christian Church cemetery

*This marriage is not documented. I do know that Berryman married and produced two sons sometime between 1810 and 1820, but the only record that I find of a marriage that could be the correct one is listed as "Beverman Adams to Lucinda Fryer", so I am only assuming that Beverman and Berryman Adams are one and the same and am therefore listing Lucinda Fryer as his first wife.

**Leads are now pointing to the possibility that Margaret Lowry was the daughter of Thomas Lowry and Nancy Dedman.

** I shall not follow these lines to present

This burial information is according to Pearl Adams Vaughn (4). There is no marker for Berryman Adams at Log Lick .

4. Enoch M. Osborn (4) born 1879 in Clark County, Kentucky.

194 in Virginia. He migrated to Clark County, Kentucky sometime in 1805 with his family. He married first Lucinda Fryer on 20 July 1813, they had two sons: David Adams (?) (3) and _____ (name unknown) (3). No further information has been found on this line,

Berryman Adams (2), then married Nelly Allan on the 8 November 1825. I find no record of children born to Berryman and Nelly Adams. Nelly Allan Adams died before 1830.

Berryman Adams (2), then married Margaret Lowry around 1830-1831. Margaret Lowry was born 1800-1810. To them were born five children: Edith Adams (3), George Adams (3), Enoch Adams (3), Thomas Adams (3), and Elizabeth Catharine Adams (3). (Refer to individual chapter on each of these children and information available on their lines to present). Margaret Lowry Adams died 1840-1843.

Berryman Adams (2) was married for the fourth time to Cynthia Ann Maupin on 16 November 1843 in Estil County, Kentucky. Cynthia Ann M Maupin was born around 1824 in Kentucky and died after 1870 in Kentucky. Berryman and Cynthia Adams had five children: Mary A. Adams (3), Nancy M. Adams (3), Susan J. Adams (3), Susan Adams (3), Michael Adams (3), (also possibly a Jackson?)

Berryman Adams (2) died between 1860 and 1870 in Estil County Kentucky and was buried at Log Lick Christian Church cemetery

*This marriage is not documented. I do know that Berryman married and produced two sons sometime between 1810 and 1820, but the only record that I find of a marriage that could be the correct one is listed as "Beverman Adams to Lucinda Fryer", so I am only assuming that Beverman and Berryman Adams are one and the same and am therefore listing Lucinda Fryer as his first wife.

**Leads are now pointing to the possibility that Margaret Lowry was the daughter of Thomas Lowry and Nancy Dedman.

** I shall not follow these lines to present

This burial information is according to Pearl Adams Vaughn (4). There is no marker for Berryman Adams at Log Lick .
