Dear Ms. Owen:

I received your name from Barbara Turner. She advised me you might be able to help with a line I have been tracing -- Zachariah Brown. He went to Kentucky from Virginia sometime after the 1810 Census and before the 1820 Census. He appears in the Cumberland County Census 1820 and Meade 1830. I do not know if this is the same person, but am guessing it is. By 1836 he moved to Phillips Co. Arkansas where he died in 1857. I do not have the names of his older children, however in the 1850 Census in Arkansas in the household is Polly, Jefferson, Mordecai and Francis. The family Bible record is for Francis only, who says he was born in 1832 in Kentucky. The 1850 Census records Zachariah as born in Virginia, the others in Kentucky.

I would appreciate any help with this work and am enclosing a self-address envelope should you have information you would be willing to share.

Sincerely,

D. Mellen
