Court Order April 1798

Ordered that John Martin, Francis Cullom, John Dale  
and Elias Browning or any 3 of them being first sworn  
for that purpose do view and mark out the nearest and  
best way for a road from Winchester to the  $7\frac{1}{2}$  mile  
tree on the four mile road and make report of the  
convenience and inconvenience thereof

2219 Jules St.  
St. Joseph, Mo.  
April 10, 1961

5.

Dear Kathy,

I am enclosing a copy of th Cullom Case #438, will you have it notorized at your convenience? I also want a certified copy of the marriage record of Nancy Baber and Nelson Owen(Oewing)in the Clark Co.,Ky. Records Nov. 24, 1813

I am also enclosing a copy of the information on the grave stones sent me by Robert Owen after he had gathered up the remnants of the stones and pieced them together. I do not know where they are now They are very important because they prove the birth and death of these two And they are not accepted unless notorized. Robert took photographs of them but I have lost them. Do you know how they can be notorized?

I was invited to join the Daughters of Colonial Wars and I need this proof. The invitation came over a year ago but it is so much work that I have been lazy about it. Edward Northcraft is the Colonial Warrior.

I will sent you a check to cover all your costs.

I hope your relatives are all well again and you,also.  
Thank you.

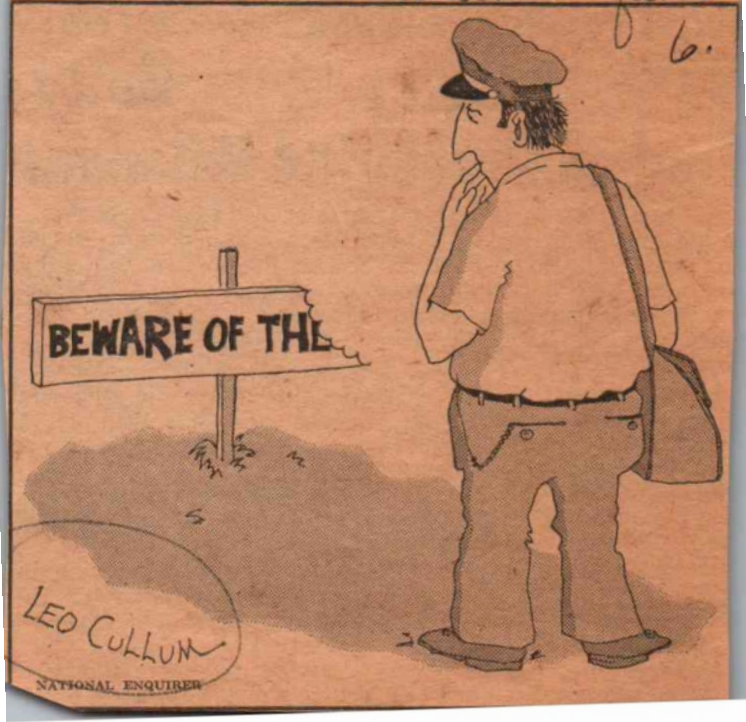

Sincerely,

Helen B. Mc-Macken
