*(Price one dollar and fifty cents.)*

WHICH has proved by thousands, who have experienced its beneficial effects, to be the most valuable medicine ever offered to the public, for the cure of coughs, colds, consumptions, the hooping cough, asthma, pain in the breast, cramps and wind in the stomach, head ache, loss of appetite, indigestion, &c. &c

For the Dysentery or Lax, Cholera Morbus, severe Gripings, and other diseases of the bowels and the Summer Complaint in Children, it has proved a certain remedy, and restored to perfect health from the greatest debility.

Persons afflicted with Pulmonary Complaints, or disorder of the breast and lungs, even in the most advanced state, will find immediate relief.

Common Coughs and Colds, which are in general occasioned by obstructed perspiration, will be found to yield to its benign influence in a few hours.

In Asthmatic or Consumptive complaints, Hoarseness, Wheesings, Shortness of Breath, and the Hooping Cough, it will give immediate relief.

# Dr. Robertson's

*VEGETABLE NERVOUS CORDIAL;*

OR, NATURE'S GRAND RESTORATIVE

*(Price one dollar and fifty cents.)*

Is confidently recommended as the most efficacious medicine for the speedy relief and cure of all nervous complaints, attended with inward weakness, depression of the spirits, head ache, tremor, faintness, hysteric fits, debility, seminal weakness, gleets, and various complaints resulting from secret impropriety of youth and dissipated habits, residence in warm climates, the immoderate use of tea, the unskilful or excessive use of mercury, so often destructive to the human frame, diseases peculiar to females at a certain period of life, Fluor Albus, barrenness, &c. &c.

Under the denomination of nervous disorders, are included several diseases of the most dangerous kind, and are so various that a volume would hardly suffice to complete a description of them It pervades, with its baleful influence, the whole nervous system, writhing the heart with inexpressible anguish, and exciting the most dreadful suggestions of horror and despair. To this demon have thousands fallen a sacrifice, in the direful transports of its rage.

The most common symptoms of its commencement are, weakness, flatulence, palpitations, watchfulness, drowsiness after eating timidity, flashes of heat and cold, numbness, cramp, giddiness, pains in the head, back and loins, hickup, difficulty of respiration and diglution, anxiety, dry cough, &c.

The Vegetable Nervous Cordial is also a great Antiscorbutic Medicine, and is of infinite service for *purifying the blood,* and curing those foul disorders of the skin which commonly appear in the form of Scurvy, Surfeit, Red Blotches, Carbuncles, Ulcers, &c. A dose of the Anti-Bilious Pills, taken occasionally with this medicine, proves of additional service in the last mentioned case.

# Dr. Robertson's

CELEBRATED GOUT AND RHEUMATIC DROPS,

*Price two dollars.*

A safe and effectual cure for the gout, rheumatism, lumbago, stone and gravel, swelling and weakness of the joints, sprains, bruises, & all kinds of green wounds—the cramp, pains in the head, face and body, stiffness in the neck, chilblains, frozen limbs, &c

# Dr. Robertson's

PATENT STOMACHIC BITTERS,

*Price one dollar.*

Which are celebrated for strengthening weak stomachs, increasing the appetite, and a certain preventative and cure for the fever & ague, &c. &c.

For the Fever and Ague, a malady so prevalent throughout the southern states, and so afflicting to families residing in all low countries, redundant with marshes, lakes, stagnated pools, rivers, &c. these celebrated and universally esteemed Bitters have surpassed every remedy ever administered, for the relief and cure of that most obstinate oppressor of the human frame, numberless instances of their efficacy have been testified, after the barks and various other extolled prescriptions failed, they proved successful to the admiration of those who experienced and witnessed their happy effects.

# Dr. Robertson's

INFALLIBLE WORM DESTROYING LOZENGES,

A medicine highly necessary to be kept in all families——price 50 cents.

SYMPTOMS—The common symptoms of Worms are, paleness of the countenance, other times flushing of the face, itching of the nose and about the seat ; strting and grinding of the teeth in sleep, swelling of the upper lip, the appetite sometimes bad, at other times voracious—looseness, disagreeable breath, hard swelled belly, great thirst, the urine frothy and sometimes of a whitish color, griping or cholic pains, an involuntary discharge of saliva, especially when asleep ; frequent pains in the side, with a dry cough, and unequal pulse, palpitations of the heart, swoonings, cold sweats, palsy, epilectic fits, &c. &c.

Though numberless medicines are extolled for expelling and killing worms, none are equal in efficacy to Dr. Robertson's WORM DESTROYING LOZENGES, they are mild in their operation, and may be given to the youngest infant with safety.

# Dr. Dyott's Anti-Bilious Pills,

For the prevention and cure of Bilious and Malignant Fevers. Price 25 cents—large boxes 50 cents.

These Pills, if timely administered, will remove the causes which commonly produce the yellow fever, bilious fevers, ague and fever, cholic, pains, flatulencies, indigestion, costiveness, hypochondriac and hysteric complaints, stranguary, gravel, rheumatism and gout.

They are peculiarly serviceable in Female Disorders, and especially in the removal of those obstructions which are the great source of their complaints at certain periods, they possess this eminent advantage over most other purgatives, that while they operate gently they produce neither costiveness, debility, nor too great excitement, whenever there is a predisposition to a disease, arising from marsh effluvia, a too copious use of ardent spirits, or a vitiated state of the bile, they are sure to relieve

# Dr. Dyott's Patent Itch Ointment ;

For pleasantness, safety, expedition, ease and certainty, is infinitely superior to any other medicine for the cure of that most disagreeable and tormenting disorder, the ITCH. Price 50 cents per box.
