

NOW IN THE PRESS,
And will be published as soon
as practicable, in Lex-
ington;

BY WORSLEY & SMITH,
A HISTORY
Of the late War in the Wes-
tern Country,

Comprising a full account of all the
transactions in that quarter, from
the commencement of hostilities at
Tippecanoe, to the termination of
the contest at New-Orleans on the
return of peace.

PROPOSALS for publishing this work were
issued last summer by JOHNSTON and
BUCHANAN; and the printing of it was com-
menced by them in pursuance of their pros-
pectus. Having lately declined business, they
have placed the work in our hands, which
we shall proceed to publish on the same terms
to subscribers as those contained in the for-
mer proposals—which were, two dollars and a
half for a copy, consisting of one Volume, well
bound, and containing about 450 pages. We
are authorised to state the following particu-
lars concerning this history.

It has been compiled from the most ample
and authentic materials—viz.

1. Several journals, which were kept by in-
telligent officers, who served on the dif-
ferent campaigns; and particularly the
Journal of the celebrated and much la-
mented Col. Wood, containing an ac-
count of the affairs in which he was con-
cerned in the north-western service.

2. The whole of the correspondence be-
tween General Harrison and the War De-
partment. The letters of the general con-
tain a very full and minute account of the
affairs with which he was entrusted, dur-
ing the whole period of his command.

3. The correspondence of the general with
his principal officers—Winchester, Crog-
han, Leftwich, Perry, Perkins, Johnson,
&c.—and with the governors of Ohio and
Kentucky—together with his orderly
books and various other documents.

4. Several distinguished officers—Shelby,
Madison, Johnson, Todd, Hardin, &c.
having read the work in manuscript, have
furnished all the additional information,
which their personal agency in the vari-
ous transactions and their official stations
had enabled them to collect.

5. The account of the campaigns conducted
by General Jackson, has been taken chief-
ly from official publications, and from in-
formation furnished by officers from this
state, who served under that distinguish-
ed commander.

This work was originally compiled by an
officer of the Kentucky Volunteers, who serv-
ed on several campaigns in the northwest, and
was afterwards revised and prepared for the
press by Doctor JOSEPH BUCHANAN, with
whose qualifications for the undertaking the
public are acquainted. He diligently exam-
ined all the above sources of information, and
was particularly careful to render the narrative
correct as to matters of fact, and acceptable to
a literary public in point of style and arrange-
ment. There is no material statement, or rep-
resentation of any important affair, in the
whole work, which is not substantiated by the
documents in his possession, or by the evi-
dence of gentlemen of the highest respectabil-
ity. In matters of opinion he has relied chief-
ly on the judgment of distinguished military
men, whose abilities have been acknowledged
by the public. Particular care has been tak-
en to do justice to every corps and to every
meritorious individual who has been distin-
guished in the western service.

Subscriptions for this work are again sol-
icited in addition to those which have already
been received. Any person who will procure
25 good subscribers, or who will become res-
ponsible for 12, shall be entitled to one copy.
The army list for the western country, and the
names of subscribers, will be inserted at the
end of the volume.

March 1816.
Subscriptions for the above re-
ceived at this office.

Which are celebrated for the cure of
most diseases to which the human
body is liable.

PREPARED ONLY BY THE SOLE PROPRI-
ETOR,
T. W. DYOTT, M. D.

GRANDSON OF THE LATE CELEBRATED DR.
ROBERTSON OF EDINBURGH;
AND FOR SALE IN PHILADELPHIA ON-
LY, AT THE
PROPRIETOR'S WHOLESALE AND RE-
TAIL DRUG & FAMILY
MEDICINE WAREHOUSE,
NO. 137, NORTH EAST CORNER OF SECOND &
RACE STREETS,
And by retail of his agents throughout the United
States.

Dr. Robertson's
CELEBRATED STOMACHIC ELIXIR OF
HEALTH.

(Price one dollar and fifty cents.)
WHICH has proved by thousands, who have
experienced its beneficial effects, to be the
most valuable medicine ever offered to the
public, for the cure of coughs, colds, consump-
tions, the hooping cough, asthma, pain in the
breast, cramps and wind in the stomach, head
ache, loss of appetite, indigestion, &c. &c.
For the Dysentery or Lix, Cholera Morbus,
severe Gripings, and other diseases of the
bowels and the Summer Complaint in Chil-
dren, it has proved a certain remedy, and re-
stores to perfect health from the greatest de-
bility.

Persons afflicted with Pulmonary Com-
plaints, or disorder of the breast and lungs,
even in the most advanced state, will find im-
mediate relief.

Common Coughs and Colds, which are in
general occasioned by obstructed perspiration,
will be found to yield to its benign influence in
a few hours.

In Asthmatic or Consumptive complaints,
Hoarseness, Wheezings, Shortness of Breath,
and the Hooping Cough, it will give immedi-
ate relief.

Dr. Robertson's
VEGETABLE NERVOUS CORDIAL,
OR, NATURE'S GRAND RESTORATIVE
(Price one dollar and fifty cents.)
Is confidently recommended as the most ef-
ficacious medicine for the speedy relief and
cure of all nervous complaints, attended with
inward weakness, depression of the spirits,
head ache, tremor, faintness, hysterical fits, de-
bility, seminal weakness, gleet, and various
complaints resulting from secret impropriety
of youth and dissipated habits, residence in
warm climates, the immoderate use of tea,
the unskillful or excessive use of mercury, so
often destructive to the human frame, diseases
peculiar to females at a certain period of life,
Flour Albua, barrenness, &c. &c.

Under the denomination of nervous disor-
ders, are included several diseases of the most
dangerous kind, and are so various that a vol-
ume would hardly suffice to complete a de-
scription of them. It pervades, with its baleful
influence, the whole nervous system, writhing
the heart with inexpressible anguish, and excit-
ing the most dreadful suggestions of horror
and despair. To this demon have thousands
fallen a sacrifice, in the direful transports of
its rage.

The most common symptoms of its com-
mencement are, weakness, flatulence, palpi-
tations, watchfulness, drowsiness after eat-
ing, timidity, flashes of heat and cold, numbness,
cramp, giddiness, pains in the head, back and
oils, hiccup, difficulty of respiration and dil-
gitation, anxiety, dry cough, &c.

The Vegetable Nervous Cordial is also a
great Antiscorbutic Medicine, and is of infinite
service for purifying the blood, and curing those
foul disorders of the skin which commonly ap-
pear in the form of Scurvy, Surfeit, Red Blotches,
Carbuncles, Ulcers, &c. A dose of the
Anti-Bilious Pills, taken occasionally with this
medicine, proves of additional service in the
ast mentioned case.

Those who purchase by the quantity for
cash, will be allowed a liberal discount.
N. B. Country store keepers can obtain an
agency for vending the above Medicines, on
commission, by addressing the proprietor, ac-
companied with satisfactory reference, &c.
Letters post paid, from any part of the con-
tinent will meet attention.

Dr. Robertson's
CELEBRATED GOUT AND RHEUMATIC
DROPS,
Price two dollars.
A safe and effectual cure for the gout, rheu-
matism, lumbago, stone and gravel, swelling
and weakness of the joints, sprains, bruises, &
all kinds of green wounds—the cramp, pains
in the head, face and body, stiffness in the
neck, chilblains, frozen limbs, &c

Dr. Robertson's
PATENT STOMACHIC BITTERS,
Price one dollar.
Which are celebrated for strengthening
weak stomachs, increasing the appetite, and
a certain preventative and cure for the fever &
ague, &c. &c.
For the Fever and Ague, a malady so pre-
valent throughout the southern states, and so af-
flicting to families residing in all low countries,
redundant with marshes, lakes, stagnated
pools, rivers, &c. these celebrated and univer-
sally esteemed Bitters have surpassed every
remedy ever administered, for the relief and
cure of that most obstinate oppressor of the
human frame, numberless instances of their
efficacy have been testified, after the barks
and various other extolled prescriptions failed,
they proved successful to the admiration of

those who experienced and witnessed
happy effects.

Dr. Robertson's INFALLIBLE WORM DESTROYING LOZENGES,

A medicine highly necessary to be kept
in all families—price 50 cents.
SYMPTOMS—The common symptoms of
Worms are, paleness of the countenance,
other times flushing of the face, itching of
nose and about the seat; strutting and grip-
ing of the teeth in sleep, swelling of the
lip, the appetite sometimes bad, at other
times voracious—looseness, disagreeable breath,
hard swelled belly, great thirst, the urine
thick and sometimes of a whitish color, grip-
ing or choleric pains, an involuntary discharge
of mucus, especially when asleep; frequent
vomiting, the side, with a dry cough, and unequal
palpitations of the heart, swoonings, &c.
sweats, palsy, epileptic fits, &c. &c.
Though numberless medicines are extolled
for expelling and killing worms, none are
equal in efficacy to Dr. Robertson's WORM
DESTROYING LOZENGES, they are
in their operation, and may be given to the
youngest infant with safety.

Dr. Dyott's Anti-Bilious PILLS,

For the prevention and cure of Bilious
Malignant Fevers. Price 25 cents—large
boxes 50 cents.

These Pills, if timely administered, will
move the causes which commonly produce
the yellow fever, bilious fevers, ague and
cholera, pains, flatulencies, indigestion,
costiveness, hypochondriac and hysterical
complaints, stranguary, gravel, rheumatism
& gout.

They are peculiarly serviceable in Female
Disorders, and especially in the removal
of those obstructions which are the great source
of their complaints at certain periods, they
possess this eminent advantage over most
purgatives, that while they operate gently
they produce neither costiveness, debility,
too great excitement, whenever there is a
predisposition to a disease, arising from
effluvia, a too copious use of ardent spirits,
or a vitiated state of the bile, they are sure to
relieve.

Dr. Dyott's Patent Itch Ointment;

For pleasantness, safety, expedition, and

ble and tormenting disorder, the ITCH—
